THE UNITED STATES CHRISTIAN COMMISSION would inform the patriotic, the philanthropic and Christian men and women of the country, of its work and its wants.

It cares for the besty and the wont, as did Christian on earth. By its delegates, who go without pay and from love, hospital stores, home conforts and reading matter are given directly to those who need them, together with such personal ministrations and religious instruction as each case may require—and the Gospel is preached at every epportunity.

In the hospitals, on the battle-fields, and in the camps of the strong and brave, the delegates are welcomed by surgeous, officers and men, and their labors have, in the judgment of those well-informed, saved thousands of lives, and been blessed to the conversion of thousands of souls, besides raising the merals of the army and strengthening the links that bind the soldier to his home.

HEADACHE AND CATARRH SNUFF. This Smiff has thoroughly proved itself to be tarrh, Cold in the Head, and Headache It has been found an excellent remedy in many cases of Sore Eyes. Deafness has been recases of Fore Eyes. Deafness has been re-moved by it, and Hearing has often been great-by improved by its use. It opens and purges out all obstructions, strengthous the Glands, and gives a healthy action to the parts affected. It is recommended by many of the best physicians and is used with great success and satisfaction everywhere.

More than thirty years' experience has proved its great value; and at this moment it stands higher than ever before. Sold by all Druggists' 7-4y

TORCESTER'S ROYAL QUARTO DICTIONARY.

THE BEST DICTIONARY EXTANT. This massive volume contains one thousau-ight hundred and fifty-four pages. It is illu-trated by more than one thousand wood cuts ive thousand words are accurately synonymized five thousand words are accurately synonymized:
the many tables of proper names prenounced,
are very full and accurates. Dr. Worcester's
Quarto Dictionary is a standard authority among
authors and literary men wherever the English
language is spoken. Every family and every
student of the language should possess a copy,
for it is a library in itself. A few testimonials
are given:

From William Culley Bryant and Washington Invino.

The conciseness and completeness of the definitions, and the conscientions accuracy of the work in all its departments, give it, in my judgment, the highest claims to public favor. From PROF. OLIVER WENDEL HOLMER, Boston. It is, indeed, a monumental work, and one of which our city and country may be proud as long as we have a city, a country, and a language.

From CHARLES DICKERS, England, It is a most remarkable work, of which Ameri ca will be justly proud, and for which all who study the English language will long have reason son with any journal in America.

Among the prominent features of its pages.
